WHIZ KIDS SUMMER CAMPS

Camps meet Monday through Thursday 9am-12pm or 1pm-4pm.

Camp tuition: \$375

Kindergarten Boot Camp

July 31-August 3 9am-12pm

August 14-17 9am-12pm

August 21-24 1-4pm

Kindergarten Boot Camp includes the main elements of our Kindergarten Readiness classes and will be structured like a condensed, mini-kindergarten day. In the tradition of Whiz Kids, we keep things fun and active at every turn and incorporate the curriculum into kinesthetic indoor and outdoor activities and games while building on and reinforcing the skills needed for kindergarten. Using hands-on materials and engaging activities, we focus on all emergent literacy skills. Each day, campers will check out books at their own instructional level from the Whiz Kids library. Snacks provided. Maximum 8 campers per session.

1st & 2nd Grade Readiness Camps

August 7-10 9am-12pm

August 14-17 1-4pm

August 21-24 1-4pm

1st and 2nd Grade Readiness Camp includes the main elements of our 1st or 2nd Grade Readiness classes. Balanced between specific instruction and motivating, literature-based activities that inspire a love of reading and prepare students for the upcoming school year, 1st and 2nd Grade Readiness camps are designed to build on literacy and learning while convincing students how much fun it is to read and write. We meet each student at their own level and support them in publishing their very own book. Our small class sizes enable the kids to hold regular teacher conferences to review their work and set new learning goals. Each day, the children check out books at their own reading level from the Whiz Kids library. As always, instruction is personalized to meet each student's unique learning needs. Snacks provided. Maximum 8 campers per session.

Whiz Kids Summer Class Descriptions

Junior Kindergarten Readiness

Our Junior Kindergarten Readiness class is designed for students who will be entering a pre-K or Junior Kindergarten program in the fall. In this class, we build on letter-sound knowledge before moving on to blending sounds into words as the students individually become ready for this next step in the reading process. We review all letters and sounds in every class meeting and practice printing and fine-motor activities without stress. The kids fine-tune their skills through various engaging activities and games, music, and our beloved Whiz Kids puppets.

Kindergarten Readiness

Designed for students entering kindergarten in the fall, our Kindergarten Readiness classes focus on building and reinforcing the skills needed for the kindergarten curriculum. Using hands-on materials and kinesthetic activities, we focus on all emergent literacy skills, including reviewing the letter sounds, blending sounds to read words, developing fine motor skills, printing letters and words, and writing sentences and stories. Our goal is to find fun and active ways for children to reach the next step in their journey toward literacy and learn to love reading and writing. Each week, students in our Kindergarten Readiness classes check out books at their own instructional level from the Whiz Kids library. Our small class sizes ensure that the individual needs of each child are met at precisely their level.

First and Second Grade Readiness

(higher grade levels upon request)

Designed for students entering first or second grade in the fall, this class strikes a fine balance between specific instruction and motivating, literature-based activities that inspire a love of reading and prepare students for the first grade curriculum. Our goal is to build on literacy and learning while convincing the students how much fun it is to read and write. Each week, children check out books at their own reading level from the Whiz Kids library, and the students are supported in writing and publishing their own hardbound books. Our small class sizes enable students to hold regular conferences with their teacher to review their work and set new learning goals. Instruction is personalized to meet each student's unique learning needs.

Whiz Kids Summer Session & Camp Registration

Child's Name: _____ Child's Date of Birth: _____ Boy/Girl

Grade level in fall: _____ School of attendance in Fall 2023: _____

Parents' names: _____

Address: _____ City: _____ Zip: _____
